What is Sharify About?

Shareify shows you how to take any of your hobbies or skills and monetize them quickly and easily by creating short tutorial videos.

You can bake kick-ass brownies? Hit a nice tennis backhand? Knit baby booties? Great!

Shareify shows you how to tap into what Seth Godin calls the "hobby economy" and the "connection revolution", and trade these skills for money.

Shareify Bonus #13: Street Smart Profits (\$27 VALUE)

When you start an online business, Stephen Gilbert always recommends that you find a way to make money that doesn't cost you any money. That way, you can keep your real life expenses separate from your business expenses, and actually have money to put towards your online costs.

That's why he always releases methods that do just that: They earn money for free.

This is what Street Smart Profits is. Street Smart Profits shows you how to make \$300 – \$600 with just 20 minutes of your time. It sold over 2500 copies on its initial release, and led to dozens of success stories and testimonials. You'll be able to use it to further create a strong foundation for your business.

Shareify Bonus #14: Arbitrage Sugardaddy (\$10 VALUE)

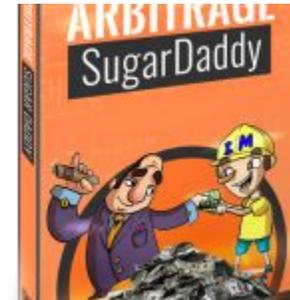

This is another one of Stephen Gilbert's simple but effective courses that shows you how to make money without spending money.

And this is just as simple as Shareify. You don't need a website.

You don't need anything.

You just need 30 minutes a day and you can earn anywhere from \$20 – \$30 for just 15 minutes of your time.

This product sold for \$10 and also won Deal of the Day.
