The screenshot shows a video player with a play button in the center. The video content is a screen recording of a Facebook post and a list of steps. The Facebook post is from 'Mosh' and is titled 'HERE IS HOW I MADE \$737 IN 1 DAY. AND YOU CAN DO IT TOO'. The post includes a video player and a list of steps. The steps are:

- ✓ Reviewed a product, took notes and screenshots of sales pages of the funnels, members area and described what's inside the course without revealing completely what's inside.
- ✓ Put all the info step by step in a powerpoint file. Turned the ppt file into a pdf file.
- ✓ Gave away the pdf report to my list of customers. Some people found it useful and purchased using my link embedded inside the pdf.
- ✓ A lot of units were sold because the product was that good. Customers clearly understood that they are able to make money with it without any prior experience or tech knowledge.
